

## CONSENT TO PARTICIPATE IN PROGRAM

### Description of the Program:

#### **Dear Parents:**

We are excited about spending some time with your child at Jubilee this summer. Our program focuses on helping children improve communication skills, self-control, and respect for self and others. We do all of this in a group format that is a fun and safe way for children to learn new skills. Staff from Jewish Family Service at Jubilee Park will work with Jubilee staff over the summer and occasionally provide interactive group experiences with your child. Each visit involves a group activity that is followed by talking about how they can apply what they learn to their daily interactions at home and at school. By signing this form, you are giving permission for your child to participate in group activities.
